THE LARGE CATECHISM

THE LORD'S PRAYER

You see, in this way, God wishes to show us how He cares for us in all our need and faithfully provides also for our earthly support. He abundantly grants and preserves these things, even for the wicked and rogues. Yet, He wishes that we pray for these goods in order that we may recognize that we receive them from His hand and may feel His fatherly goodness toward us in them. For when He withdraws His hand, nothing can prosper or be maintained in the end. Indeed, we daily see this and experience it. How much trouble there is now in the world only on account of bad coins, daily oppression, raising of prices in common trade, and bargaining and labour by those

who greedily oppress the poor and deprive them of their daily bread! This we must suffer indeed. But let such people take care so that they do not lose the benefits of common intercession. Let them beware lest this petition in the Lord's Prayer speak against them. Para 82–84
